

HEAD OFFICE.

9th December, 1966.

TO ALL PLANT MANAGERS

c.c. Mr. K.T. Robertson

NEW ZEALAND D.C. PROGRAMME.

We have recently received from our New Zealand counterparts, the conditions and terms offering for skilled Conversion Technicians (all groups) and Installation Officers interested in obtaining employment in New Zealand for the D.C. Programme.

Conditions of employment agreed to by Burroughs New Zealand and the New Zealand Decimal Currency Board are as follows:-

1. Economy single air fare from their Australian city of residence to New Zealand.
2. Starting weekly salary for conversion technicians if over 21 £NZ21-22 depending on ability. If between 17 and 20 £NZ17-20 depending on age. Starting salary Installation Officers £NZ24.
3. Bonus of up to £NZ200, depending on merit if over 21. Bonus of up to £NZ160 if under 21 at the end of the programme to qualify.
4. One third of the bonus entitlement will be paid at Christmas, 1967 to enable personnel to undertake any tours they may wish during the Plant shutdown.
5. All accommodation to be found and paid for by the employee.
6. Return air fare to city of residence will be met if personnel stay to the end of the N.Z. Programme. N.Z. Post-conversion programme is currently scheduled to end on 30th September, 1968.
7. The Reserve Bank of New Zealand have agreed that any monies brought into New Zealand through normal banking channels by employees transferring for the programme can be repatriated, together with savings from salary and bonus earned in New Zealand (see attachment).
8. If a motor car is taken into New Zealand and subsequently sold the proceeds cannot be remitted overseas.
