AUSTRALIAN CONVERTORS

The following is the finalised list of those convertors selected for the New Zealand D.C. Programme.

It is expected that all will be arriving before DC. Day.
All terms and conditions of employment have been previously circularised.

	<u>NAME</u>	<u>EX AUST. PLANT</u>	<u>N.Z. PLANT</u>	<u>TITLE</u>

*	R. Samuel Robertson	Sydney	"	" "
*	W. Broad Bill	Sydney	"	" "
RAY *x	D. Burley ✓	"	"	" "

* Accepted as adding machine convertors only but have been specialising on Series F conversion in Australia.

✓ Already in New Zealand or on the way.

+ Trained on Series F and P.400-P.600

x Field experience.

It is expected that on arrival each man will contact the Plant Manager in the nominated city and arrange a start date.

Starting weekly salary if over 21, £NZ21-22 depending on ability. We suggest those convertors who have only been trained on Series P conversions be paid the £21. The remainder be paid £22 regardless of the fact they will be assigned to Series P conversion in N.Z.

If between 17 and 20, starting salary £17-£20.

Yours very truly,
